International Ucp 600 Implemented On July 1 2007

The result is the most successful international attempt at unifying rules ever as the UCP has substantially universal effect. The latest revision was approved by the banking commission of the ICC at its meeting in Paris on 25 October 2006. This latest version called the UCP600 formally commenced on 1 July 2007, on July 1 the letter of credit community celebrated the first anniversary of the introduction of the UCP 600. Kim Christensen, trade finance business and product specialist at Nordea in Copenhagen reviews how successfully the new guidelines have been implemented. No doubt the UCP 500 revision was a huge task, it is important for exporters to verify the nature of documentary credit for the business they are conducting. Documentary credits are currently ruled by the international...
